

**Thanks for your interest in the iFetch A Family program!**

We have developed a list of ideal characteristics for dogs you'd like to nominate for the program. Before creating this list, we solicited advice from our iFetch dog trainers as well as other professional dog trainers who aren't familiar with our dog toys, in order to create the highest probability for success, both in training and adoption.

Please don't hesitate to contact us if you have any questions before submitting a sponsorship application.
